

RETREAT CENTER INFORMATION:

Address: 5700 Highway 93 South
Somers, MT 59903

Judy's Retreat Center is a non-smoking 4,000 square foot, 4-bedroom, 3-bathroom home with a teaching area specifically designed to meet the needs for Judy's teaching process and students. Each student will have a dedicated sewing area at least 4-feet in length, by 30-inches wide, with pressing and cutting stations located throughout the room. Design walls consistent with what Judy uses in her own sewing studio will be provided throughout

the classroom for the purpose of laying out quilts or playing with fabrics. A screen will be provided for PowerPoint presentations and demonstrations throughout the week. Products will be available at the Retreat Center for viewing and purchase.

The Retreat Center is located on Highway 93, in Somers, MT, on a two-acre lot overlooking the beautiful shores of Flathead Lake and the Rocky Mountains. Immediately across the highway is a walking path that can take you to local coffee shops, restaurants, and to public access along the lake. It is located approximately 25 miles south of the Glacier International Airport, and centrally located between Bigfork and Kalispell, MT, where three different internationally renowned quilt shops are located to meet your shopping needs.

Kalispell, MT is a tourist destination during all seasons of the year with Glacier National Park located approximately 50 minutes away, Flathead Lake at your doorstep, the Whitefish Mountain Ski Resort and Blacktail Mountain both within an hour's drive. Outdoor activities are endless, including, but not

limited to, hiking, fishing, golfing, boating, snowmobiling, rafting, biking, and skiing. Book and stay at Judy's retreat in conjunction with your visit to enjoy the Flathead Valley and Montana at its finest, or simply for the purpose of getting away to sew.

The rooms include two twins in a master suite, which can be set up to serve a couple with a king-size bed, as appropriate. The garden room is located on the main floor, with it's own outside access and dedicated bathroom that can accommodate a group of up to four people. On the lower floor, is the teaching area and two additional bedrooms set up for double occupancy, that share a bathroom. One room includes two single beds and has access to the outside. The fourth room is the bunk-room and includes one bunk bed.

Meals are not prepared on-site, but can be catered as part of the event and included in the retreat cost, or brought in by the retreat attendees as desired. Please visit Judy's website at <http://www.quiltworx.com> for more information and pictures that will be available in the coming months showcasing the teaching area, the rooms, and pictures of retreat attendees. Retreat Capacity is 10 students per retreat for either 4 or 5 days, helping to ensure that students maximize both their teaching time, sewing time, and access to what they need to successfully complete one of Judy's patterns. With reduced numbers, student availability to the instructor and vice versa, is increased significantly. A breakdown of a typical retreat cost per person, per day, for 2010 is provided as follows:

Teaching Fee = \$45.00

Meals (if included) = \$40.00

Cleaning and Hospitality = \$15.00

Miscellaneous Costs (Depends on Retreat) = \$5.00

Facility = \$50.00

We would love to see you at one of our events and look forward to the opportunities that this property will be bringing us in the future. Thank you for continuing to support Judy Niemeyer Quilting!
