### \*Selecting Background Fabrics for the Glacier Star Queen Border.

**Background Fabric #4** is used for (8) Section 4 Template pieces and background fabrics for the H-Unit. This fabric should be very similar in color and value, as Background Fabric #2 used for in the *Glacier Star*. *Note: The Glacier Star, Fabric #2 could be used in place of Fabric #4.*

**Background Fabrics #5** is used behind the *Geese*. This fabric should be very similar in color and value, as Background Fabric #3 in the *Glacier Star*. *Note: Again the Glacier Star, Fabric #3 could be used in place of Fabric #5.*

### \*Selecting Accent Fabrics for the Glacier Star Queen Border.

**Fabric #12 and Fabric #10** should be complimentary colors. This will provide a third frame around the quilt.

**Accent Fabric #11** is similar in value but different in color, than the fabric used for Accent Fabric #9 in the *Glacier Star*.

**Accent Fabric #12** should be a different color than Accent Fabric #10 in the *Glacier Star*.

**Geese Fabrics:** The left over fabrics from the geese in the original quilt can be added to new fabrics for the outer border geese.
