Round 1: Cutting Instructions, Colors C1, C2, C3, C4,

Cutting the Strips: You should have four fabrics, (Colors C1, C2, C3, and C4), which were placed with this chapter when you built the fabric charts. These fabrics are used to complete the cutting and piecing for the three A-Units in Round 1.

Sub Cut the following strips from each color. The strips are used to complete the cutting with the Template Layout Sheets.

Color C1, Accent Center Star: Cut (1) 3-3/4" by 42" strip across the width of the fabric. **Place with Bag 1.**

Color C2, Accent Center Star: Cut (1) 3-3/4" by 42" strip across the width of the fabric. **Place with Bag 1.**

Color C3, Accent Spike: Cut (6) 4" by 42" strip across the width of your fabric. Place (3) strips with Bag #1, (3) strips with Bag #2 and the remaining fabric in Bag #3.

Color C4, Background: Cut (8) 4-1/4" by 42" strip across the width of your fabric. Place (4) strips with Bag #1 and (4) strips with Bag #2.

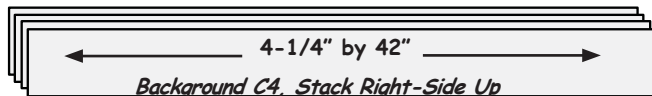

The graphics were provided as a reference to help you with the sub-cutting of each strip.

Note: When you cut the fabric pieces for the templates or template layout sheets, the pieces you cut should measure either the same size or just a little larger than the templates and template layout sheets.
