

CW-3 Background Template Layout Sheet

Step 1: Find the *Captain's Wheel Units: Background Template CW-3 Template Layout Sheet*, and the (3) 15-1/2" x 42" fabric strips cut from Color #7.

Step 2: Using the *Captain's Wheel Units: Background Template CW-3 Template Layout Sheet* as a guide, cut (15) 2-3/4" x 15-1/2" rectangles along the 15-1/2" edge of the strip from two strips. Cut (6) 2-3/4" x 15-1/2" rectangles from the third strip. Place the remaining fabric which should measure 15-1/2" by 25" into Bag #5 with the CGB Left Border Units.

Step 3: Restack the (36) rectangles right-side-up into four stacks of (8) rectangles, and one stack of (4) rectangles.

Step 4: Place one of the *Captain's Wheel Units: Background Template CW-3 Template Layout Sheets* onto the top of each stack. Trim on each of the edges then proceed to cut on, Cut Lines 1-7. You will have (288) pieces of CW-3. when you are done cutting. Place (144) pieces in each bag #2 and Bag #3.

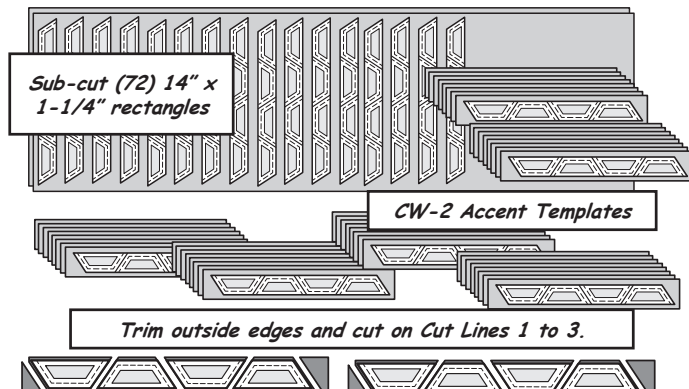

CW-2 Template Layout Sheet

Step 1: Find the *Captain's Wheel Accent Template CW-2 Template Layout Sheets*, which are clipped to three 14" x 42" strips from Color #5 in Bag #2.

Step 2: Stack the three strips, right-side-up. Using the *Captain's Wheel Accent Template CW-2 Template Layout Sheet* as a guide, cut (72) 14" x 1-3/4" rectangles.

Step 3: Restack the parallelograms into nine sets of (8) pieces. Place one *Captain's Wheel Accent Template CW-2 Template Layout Sheet* onto each stack.

Step 4: Trim the stacks along the outside solid line of the template layout sheet and proceed to cut the inside cut lines, Line 1 through Line 3. You will have (288) pieces of CW-2. Divide the pieces and place (144) pieces in each Bag #2 and Bag #3.

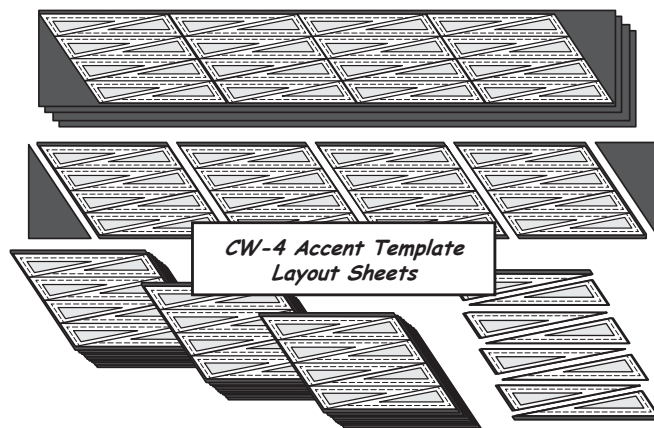

CW-4 Template Layout Sheet

Step 1: Find the *Captain's Wheel Accent Template CW-4 Template Layout Sheets*, which are clipped to (9) 7" x 42" strips from Color #3 in Bag #2.

Step 2: Stack the (9) strips, right-side-up. Using the *Captain's Wheel Accent Template CW-4 Template Layout Sheet* as a guide, sub-cut (4) stacks of (9) parallelograms.

Step 3: Place one *Captain's Wheel Accent Template CW-4 Template Layout Sheet* onto each stack.

Step 4: Starting with Cut Line 1, cut the pieces in order to Cut Line 7. You will have (288) pieces of CW-4. Divide the pieces equally and place (144) pieces in each Bag #2 and Bag #3.

CW-5 Template Layout Sheet

Step 1: Find the *Captain's Wheel Accent Template CW-5 Template Layout Sheets*, which are clipped to (12) 7-1/2" x 42" strips from Color #4 in Bag #2.

Step 2: Stack the (12) strips, right-side-up. Using the *Captain's Wheel Accent Template CW-5 Template Layout Sheet* as a guide, sub-cut (3) stacks of (12) parallelograms from the strips.

Step 3: Place one *Captain's Wheel Accent Template CW-5 Template Layout Sheet* onto each stack.

Step 4: Starting with Cut Line 1, cut the pieces in order to Cut Line 7. You will have (288) pieces of CW-4. Divide the pieces and place (144) pieces in each Bag #2 and Bag #3.
