

Fire Island Hosta ~ Unit FL3 Labeling Correction:

Labeling for Section 18 on the Unit FL3 Background Template Layout Sheet was not included on the first printing of papers. All patterns printed after April 14th will have the correct labeling on them. The print date will be on the back of your pattern. Simply copy the section 18 information included below, including cut line, sew side, and the template number and location to your Template Layout Sheet.

Thank you!!!
