The Prismatic Star uses paper piecing techniques to demonstrate the simple construction of a lone star block using color groups of (8). One package of Quiltworx Bali Pops is required to complete this pattern (in your favorite color combination)! Each package includes (6) color groups of (8) fabrics and each color group makes (2) diamonds. You can pair the blocks with any background color you like, as demonstrated above, where we have selected (16) different 1895 solids by Hoffman Fabrics to accent the star. Kit this fantastic design in your favorite colorway, or in all of them, simply by pairing the customer's favorite strip set with their favorite background! It really is just that simple.
