LIGHT BACKGROUND SPIKE

ACROSS GRAIN LINE

Corner Template JFB-1: Light Fabrics: Choose two light fabrics. Cut **(5)** 7-1/2" by 3-1/2" pieces from both fabrics. Stack fabrics right sides up. Use template JFB-1 and crosscut the rectangles into 10 pieces. You will only use 9 pieces to complete each unit.

Page 4. Column 2: Correction

Corner Template CGC-1: Light Fabrics: Choose two light fabrics. Cut **(6)** 6-1/2" by 3" pieces from each fabric. Stack three pieces right sides up and three pieces wrong sides up from each fabric. Use template CGC-1 and crosscut the rectangles into twelve pieces.

Page 3. Column 2: Correction

Template Layout Sheet CGB-2: Dark Fabrics: **1.** Set two dark fabrics pieces aside for the corner units on page 4. From the other eight dark fabrics, cut **(1)** 12-1/2" by 42" strip. Open and stack your strips before cutting. Crosscut **(3)** 10" by 12-1/2" rectangles from six of the dark strips and **(2)** 10" by 12-1/2" rectangles from the last two dark strip for a total of **(22)** pieces. Don't cut any extra pieces.

2. Stack 12 fabrics right sides up. Position one CGB-2 Template Layout Sheet onto this stack of fabric. *These pieces are for the left side units*. Stack the other 10 fabrics wrong side up and place another CGB-2 Template Layout Sheet onto this stack. *These pieces are for the right side units.*

13"
10 1/2"

Spike Template JFF-3: Dark Fabrics: Cut **(1)** 13" by 42" strip from each of the 10 fabrics. Crosscut **(30)** 10-1/2" by 13" rectangles from your dark fabrics. If using ten fabrics, only cut three rectangles from each strip. Open and stack your strips before cutting. Stack the rectangles and crosscut **(8)** 1-1/2" by 10-1/2" strips from each dark fabric, [Template JFF-3]. Set the remaining fabric aside for Template JFF-4.
