Quilting Cruise aboard Royal Caribbean's Quantum of the Seas

Leave the winter weather behind you. Join *Andrea Schnur* as she sails aboard Royal Caribbean's newest ship, the *Quantum of the Seas*! The cruise will include a special shore excursion to an island quilt shop, special quilting classes while onboard, 1 night pre-cruise tour in NYC, gratuities, insurance, transportation and more!

Stay tuned for more info!

From *USA Today*: "Quantum of the Seas will offer several cruise ship "firsts," such as a skydiving experience; a giant mechanical arm that transports passengers high above the vessel in a glass capsule; the largest indoor sports and entertainment complex at sea with bumper cars, roller skating and a circus school with flying trapeze; a full-size basketball court, and more..."

When you are in port, the Caribbean awaits. From snorkeling, swimming, golf to shopping, the Caribbean is the ultimate outdoor playground. What better way to vacation than to be surrounded by white sand beaches, turquoise waters and the most beautiful islands on earth?
