

Students from a Glacier Star class, with Certified Instructor Diana Simkins, took the time to express their comments and experiences on the Student Survey they received at the class's conclusion ~ June 2012

When asked: Is there something that the certified instructor did that you believe goes above and beyond what you expected from the workshop that you would like to point out or commend them for?

"I can't imagine doing the quilt solo – the instruction was invaluable."

"Diana was "there" when I was about to make a mistake. Uncanny."

"Loved the class and made a wedding gift extra special."

"I enjoyed the class so much and could hardly wait for the next one. I wish she lived here. I think we could be good friends."

"She's always there when you need her and she always gives such great encouragement."

"Absolutely no improvement needed – great the way we did the class."

"Extremely helpful for someone new to paper piecing."

"Fantastic."

"She is very encouraging and gives great individual attention."

"Wonderful instruction and inspiration."

"Diana is the best instructor – she makes the project so much easier than it seems."

"The class was great. Diana shows all of us each other's errors. We all learned from each other. I love paper piecing – she not only was a great instructor, but she was so warm and friendly."

"Very helpful and informative."

"Diana gave us more than class help, she made extra time available for us."
