

# One

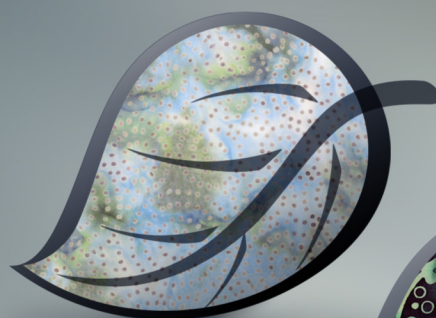

## Quiltworx.com Leaf Series

### 20" x 40"

Cut bias strips out of coordinating 1895 fabrics.

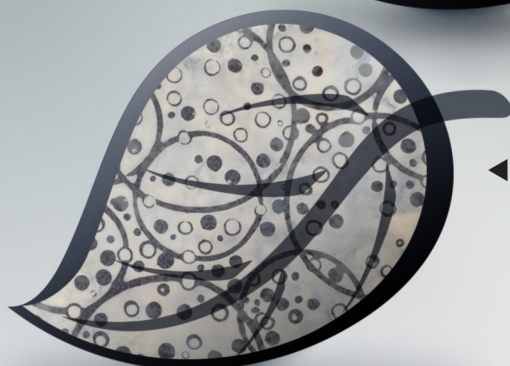

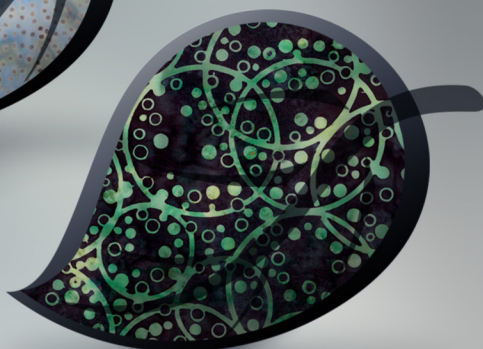

We used:  
1895 494-Raven

To cut a bias strip, you will need approximately 40" of fabric of the black. So, you can save yardage by cutting them all from the same fabric, or cut from scraps. You can also use left over fabric to piece the backing and binding!
