Citrus Mint & City Lights
Batik Collections

GEESE MIGRATIONS BOOK PATTERN

70" x 70"

NOTE: We recommend you use one color for Border #1, #3, and the solid squares to conserve yardage. If you choose to use two different fabrics for Borders 1 and 3 (as shown in the sample), you will need 2 yds of each fabric to prevent having to piece the border. If you choose to vary the fabrics used for the solid squares, an additional ¼ yd of three of the Center Spike and Geese Background fabrics will be necessary, which results in a more scrappy look!
