Quiltster was used to color the quilt images shown here. In some cases, we've rotated the outer diamond blocks to give the quilts a different look. In some instances, we've shown black sashing in between the blocks instead of using the background fabric. In those cases, you'll need 1-1/8 yd of sashing fabric, and 2 yd of background fabric.

The Prismatic Star Queen uses paper piecing techniques to demonstrate the simple construction of a lone star block using color groups of (8). Two set of Quiltworx Gypsy Strips is required to complete this pattern (in your favorite color combination)! Each package includes (6) color groups of (8) fabrics and each color group makes (2) diamonds. You can pair the blocks with any background color you like, as demonstrated above, where we have selected (6) different Tonga B7900 solids by Timeless Treasures fabrics to accent the star. Kit this fantastic design in your favorite colorway, or in all of them, simply by pairing the customer's favorite strip set with their favorite background! It really is just that simple.
