## ► Fabric Reference Information

The razor star diamond is referred to as Block AG. A color layout of where each of the fabrics, AG1 to AG6 should go in your quilt is shown below. The graphic shows the backside of the block so that if you need to label your newsprint with fabric swatches, the space you glue the swatch matches what you see in the layout. A front-side graphic (which would match your Quiltster file, if you are using that for color layout) is included on Page 23.
► Color Layout

Backside Graphic

The table below includes yardage, fabric numbers, and a reference to which fabrics go with the templates and (TLS) to complete Units AG1, AG2, and AG3. This table is your guide for not only selecting your own colors, but keeping you organized. A color layout graphic is included on the following page. Don't forget to cut a swatch of your chosen fabric to paste in the box in the Assigned Colors column!
Units AG1 to AG3 Yardage, Make (8) each		
GROUP-AG FABRIC #	**YARDAGE INCH**	**ASSIGNED COLOR**
Fabric AG1 Unit AG1 TLS #1	7/8 yd or (30")	Fabric Swatch
Fabric AG2: Unit AG1 Temp-AG1-1	3/8 yd or (10")	Fabric Swatch
Fabric AG3: Unit AG1 TLS #3	1/4 yd or (5")	Fabric Swatch
Fabric AG4: Unit AG1 TLS #4	1/4 yd or (5")	Fabric Swatch
Fabric AG5: Unit AG2 & AG3 TLS #5	1-1/8 yd or (38")	Fabric Swatch
Fabric AG6: Unit AG2 & AG3 TLS #6 & 7	1 yd or (32")	Fabric Swatch

► Fabric AG1: TLS #1

**Step 1:** Cut and stack **(2)** 15" by 42" strips facing *right-side up*.

Step 2: The *Unit AG1 Template Layout Sheet #1* is used to cut **(8)** pieces, matching the size and shape of the (TLS). Reposition the template for each additional cut.

Step 3: The **(8)** pieces are stacked under the (TLS). A paper clip is used to clip each section to the fabric to keep the template pieces from moving in the cutting process. The cutting is completed by slicing through the paper on each cut line to yield **(4)** individual sections. Place the pieces with the Foundation Papers in Bag #AG1.

► Fabric AG2: Temp AG1-1

Step 1: Cut and stack **(4)** 2-1/2" by 42" strips facing *right-side up. Unit AG1, Template AG1-1* is used to cut **(8)** pieces. Each strip yields **(2)**. Place the pieces in Bag #AG1.

## ► Fabric AG3: Temp AG1-5 Layout Sheet #3

Step 1: Cut and stack **(2)** 2-1/2" by 42" strips facing *right-side up. Unit AG1, Template AG1-5 Layout Sheet #3* is used to cut **(4)** pieces the same size of the (TLS).

Step 2: Stack the **(4)** pieces under the (TLS). Cut the TLS apart on Line 1 to yield **(8)** pieces. Clip the pieces together and place in Bag #AG1.
► Fabric AG4: Temp AG1-4 Layout #4

Step 1: Cut and stack **(2)** 2-1/2" by 42" strips facing *right-side up. Unit AG1, Template AG1-4 Layout Sheet #4* is used to cut **(4)** pieces the same size of the TLS.

Step 2: Stack the **(4)** pieces under the TLS. Cut the Template on Line 1 to yield **(8)** pieces. Clip the pieces together and place in Bag #AG1.

► Fabric AG5: Unit AG2 & AG3 TLS #5

Step 1: Cut and stack **(4)** 9-1/2" by 42" strips facing *right-side up.*

Step 2: The *Unit AG2 & AG3 Template Layout Sheet #5* is used to cut **(8)** pieces, matching the size of the (TLS). Reposition the template for each additional cut.
