October 18-23, 2020

Certified Quiltworx Instructor:

Donna Mather was born and raised in Madison, WI and currently resides in Waunakee. She began sewing clothing for herself as well as for family members and friends at the age of 10. With her love of sewing it was inevitable that she would eventually discover quilting. As her self-taught skills expanded she sought out increasing challenges including finely detailed, curved and foundation paper pieced blocks and quilts. She has been teaching various levels of quilting for over fifteen years and has been certified by Judy Niemeyer to teach her patterns since 2015. Besides teaching at local quilt shops, Donna also teaches at quilting retreats as well as lecturing and teaching workshops for guilds.
