## ► Fabric AA2: Units AA1 & AA2 (TLS #2)

**Step 5:** Cut **(8)** 11" x 42" strips from Fabric AA2. Open and re-stack the strips facing *right-side up* into **(2)** stack of four strips*.*

Step 6: Position **(2)** *Unit AA1 & AA2 Template Layout Sheet #2* on each stack as shown. Cut **(16)** pieces matching the size of the (TLS).

Step 7: Position **(4)** pieces under each (TLS). Paper clips are used to clip each Temp Sec. onto the fabric beneath before you begin cutting.

(4) Each

Step 8: The cutting is completed by cutting the (TLS) and the fabrics beneath apart on each Cut Lines.
- Place the section pieces for Unit AA1 into Bag #AA1.
- Place the section pieces for Unit AA2 into Bag #AA2.
► Fabric AA3 & AA4: (Temp AA2-8)

Step 9: Cut **(2)** 4" x 42" strips from each Fabric AA3 and AA4. Open and position the strips facing *right-side up* into **(1)** stack*.*

Fabric AA4
Fabric AA3

Step 10: *Unit AA2, Template AA2-8* is used to cut **(8)** pieces, matching the size of the Template from each fabric. *[Each strip yields (4) pieces and the Template is reused in this process.]*

Step 11: Place **(4)** pieces cut from each fabric under one template. Cut the (TLS) and the fabrics beneath apart on Cut Line 1 to yield **(16)** pieces from each color. Place these pieces into Bag #AA2.

► Fabric AA5: (T-Temp AA-1)

Step 12: Cut **(2)** 4-1/2" x 42" strips from Fabric AA5. Open and re-stack the strips facing *right-side up* into one stack*.*

Step 13: *T-Template AA-1* is used to cut **(16)** triangles. You only need to cut **(6)** from the 2nd strip.
Step 14: Smart Corners have been added to the templates which requires additional trimming on both ends. Place these pieces into Bag #AA2.

▌SORTING & STACKING: UNIT AA2 BAG #AA2

Graphics and detailed instructions are provided for Unit AA2 as it has an extra step that needs to be explained to add Sec. 8. Sort the pieces in Bag #AA2 on your table, arranging the section #s for each unit in numerical order with the templates and fabric pieces facing *right-side-up*. Align the sew-sides at the top.
The pieces are then stacked beginning with the largest Sec. # on the bottom finishing with Sec. 1 on the top.

▌PAPER PIECING: UNIT AA2

NOTE - Tracing the Dashed Lines: Place the foundation paper onto a light table. Flip the foundation paper over and trace the dashed lines printed on the front side of the foundation paper, onto the backside of the paper.

Step 1

Step 1: Find Sec. 1 on the foundation paper. Place a small amount of fabric glue on the *backside* of the paper under Sec. 1.

Step 2: Position the first piece of fabric for Sec. 1 *wrong-side-up* on your table. Lift the foundation paper, slide the fabric under Sec. 1 and glue the fabric to the backside of the paper. Steps 2 and 3 are repeated for each foundation unit before moving onto Step 4.

Step 2

NOTE - Fabric Placement: The wrong-side of the fabric is against the backside of the paper. The fabric must extend beyond the edges of the dashed lines to cover the underneath side of Sec. 1.

Step 3: Place the fold template over the top of Sec. 1. Line the edge up with the solid black line marked Line 1.

Step 4: Then, fold the paper back over the top of the fold template.
