BLOCK ASSEMBLY INSTRUCTIONS

General Pressing Information: Units H1, H2, H5 and H6 were designed with opposing seams to reduce bulk when using heavier cotton fabrics. If you are working with lighter weigh fabrics you may want to consider repressing those seams to provide you with stacked seams. Stacked seams are easier to work with if you are planning on quilting in the ditch as a quilting option.

Removing Paper: The foundation paper is not removed from any of the border units until you are ready to assemble the Units with the Block groups from Booklet 2.

Sewing the Block Groups: All the assembly instructions for the Carnival Flower Wall Quilt are located in Booklet One 'Carnival Flower Wall introduction Booklet'.
