Step 3: *Unit A1-A4 (TLS) #1 and (TLS #2):* Cut **(1)** stack for each (TLS) from Fabric S1-S8. Complete the cutting on Cut Line 1 for each (TLS). Clip the templates to the fabric beneath, without changing the stacking order. Place these pieces into the Group A Bag.

A-Group Bag: Bag #A, Spiral Star

Step 4: *Unit G1, (TLS #2):* Cut **(2)** stacks from Fabric S1-S8, one for each (TLS). Complete the cutting on each Cut Line 1-5. Clip the templates to the fabric beneath and place the G1 Templates in the following Bags #s with Group G.

G-Group Bag: Bag #G1, Crystal Ball border

Step 5: *Unit B1 & B2, (TLS #2, #3, #4, & #5)* are cut apart on Cut Lines 1-3 to separate the individual Sec Temp, prior to cutting the fabric. This is done because only **(1)** template is used for each Sec #.

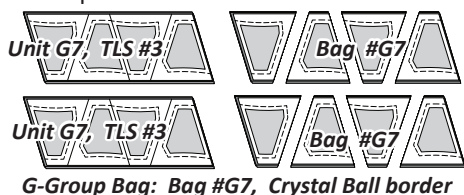

Step 6: Once the (TLS) are cut apart, locate **(1)** ea. *Temp B1-3, B1-5, B1-7, B1-9, B2-3, B2-5, B2-7, & B2-9*. Cut **(1)** stack for each template from Fabrics S1-S8. Clip the templates to the fabric beneath and place the B1 Templates in Bag #B1 and the B2 Templates in Bag #B2, with Group B.

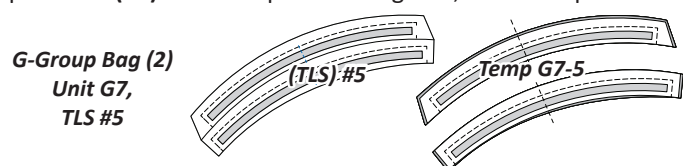

B-Group Bag: Bag #B1 & Bag #B2, Fat Feathered Border

Step 7: *Unit G7, (TLS #3):* Cut **(2)** stacks, from Fabric S1-S8 **(1)** for each (TLS). Complete the cutting on each Cut Line 1-3. Clip the templates to the fabric beneath and place the G7 Templates in Bag #G7, for Group G.

*G-Group Bag: Bag #G7, Crystal Ball border*

Step 8: *Unit G7, (TLS #5):* Cut **(1)** stack. Complete the cutting on each Cut Line 1. Clip the templates to the fabric beneath and place the **(16)** G7-5 Templates in Bag #G7, with Group G.
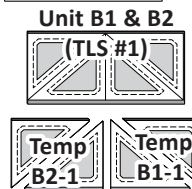

G-Group Bag (2) Unit G7, TLS #5

► Fabric S9: Unit B1 & B2 (TLS) #1

**Step 1:** Cut **(1)** 4-1/2" by 42" strip and **(2)** 4" by 42" strips from Fabric S9.

Step 2: Place the 4-1/2" strip facing *right-side-up*. *Unit B1 & B2 (TLS #1)* is used to sub-cut **(4)** pieces matching the size of the (TLS).

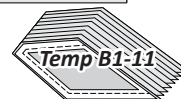

Fabric S9, 4-1/2" by 42"

Step 3: Stack the **(4)** rectangles beneath the (TLS)*.* Complete the cutting on each Cut Line 1-3. Place the Unit B1 templates in Bag #B1 and the Unit B2 templates in Bag #B2 with Group B.

Unit B1 & B2 (TLS #1)

Temp B2-1   Temp B1-1

Step 4: Stack the **(2)** 4" by 42" strips facing *right-side-up. Unit B1 Temp B1-11* is used to cut **(8)** pieces.

Temp B1-11   *Fabric S9, 4" by 42"*

Step 5: Place the Unit B1 templates in Bag #B1 with Group B.
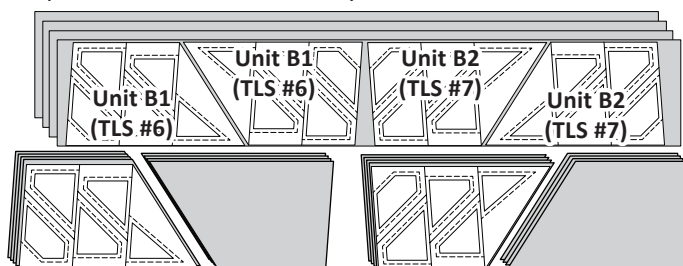

Temp B1-11

► Fabric S10:

- *Cut (4) 7" by 42" strips from Fabric S10. Place these strips with Unit B1 & B2 (TLS #6 & TLS #7).*
- *Cut (6) 17" by 42" strips from Fabric S10. Place these strips with Units G1 thru G6 (TLS #1).*
- *Cut (4) 4-1/2" by 42" strips from Fabric S10. Place these strips with Unit G7 (TLS #1).*

► Units B1 & B2 (TLS #6 & #7)

Step 1: Stack the **(4)** 7" by 42" strips cut from Fabric S10 facing *right-side-up* on your table. *Unit B1 & B2 (TLS) #6 & #7,* are used to cut **(8)** pieces matching the size of each (TLS). Reposition the templates as needed for each layout sheet.

Unit B1 (TLS #6)   Unit B1 (TLS #6)   Unit B2 (TLS #7)   Unit B2 (TLS #7)

Step 2: Stack the **(8)** pieces beneath each (TLS). Completed the cutting on each Cut Line 1-5 to separate the individual sections. Paper clip the templates to the fabric beneath. The Unit B1 Templates are placed in Bag #B1 and Unit B2 Templates in Bag #B2, Group Bag B.

Unit B1 Bag #B1   Unit B2 Bag #B2
