

Step 7: Sew Unit E3 & E6 to Unit E2 & E5. Match both ends, align edges, and pin.

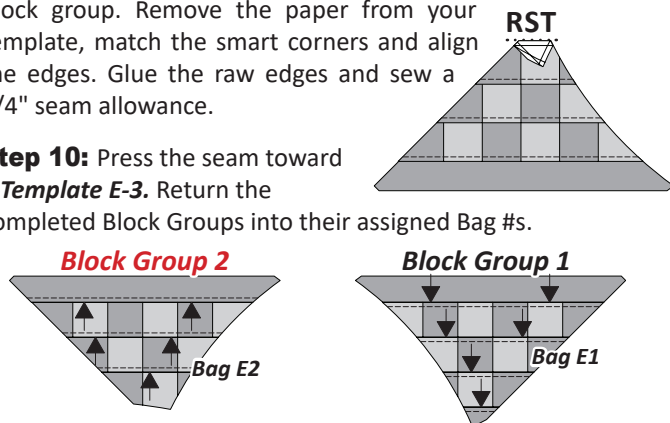

Step 8: Remove the paper and press.

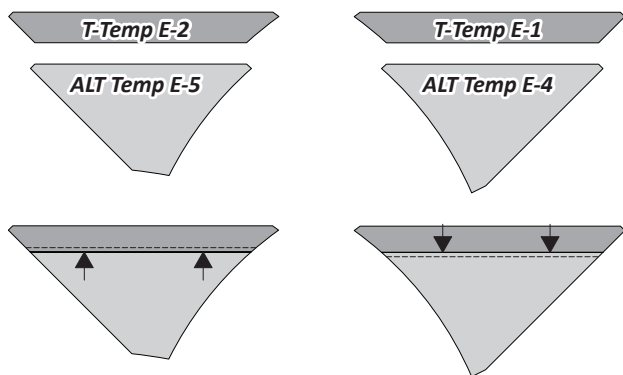

Step 9: Attach *T-Template E-3* as the final piece to complete the block group. Remove the paper from your template, match the smart corners and align the edges. Glue the raw edges and sew a 1/4" seam allowance.

Step 10: Press the seam toward *T-Template E-3*. Return the completed Block Groups into their assigned Bag #s.

COLOR OPTION 1 ASSEMBLY INSTRUCTIONS:

For Color Option 1, assembly is much easier. Simply sew the *T-Templates E-1 and E-2* to the *T-Templates E-4 and E-5* using a 1/4" seam allowance and smart corners to match up the edges. Press in the direction shown on the image below, to make sure you can easily nest the seams during final assembly.

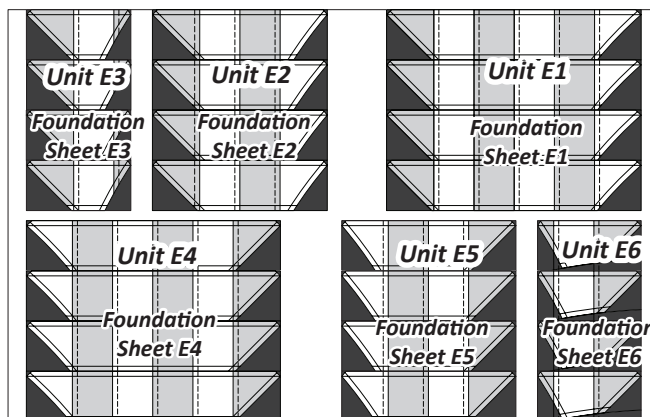

FINAL ASSEMBLY TO GROUP F OR GROUP G/H (QUEEN):

This is as far as you need to go with Booklet 2. Please refer back to your Introduction Booklet at this point for final assembly. If you are working from the outside to the inside, you can complete the assembly steps as you go. Otherwise, you will need to wait until you complete all of the Booklets before sewing your quilt together.

QUEEN EXTENSION INSTRUCTIONS

If you are making the Queen Size pattern, you will have received **(1)** NP 1013 with your Queen Border Booklet 1. You will cut it out and prepare it the same way you did for the Wall Size, and make an additional **(4)** corners. The additional Newsprint sheet is shown below. There is also a yardage chart for both color options that you can follow. Then, simply make double the cutting information and make **(8)** blocks of each if you would like. A few cutting graphics have been provided to the right to help you get started.
