

Step 4: Cut around each layout sheet leaving about 1/8" of excess fabric around the edges of each unit.

Step 5: Set your stitch length to *Sew Basting Line 2*, and the (TRP) Lines on each layout sheet. After sewing the (TRP) lines, trim any loose threads from both the fabric and paper-side of each unit.

Step 6: Once the TRP Lines are sewn, set the foundation units aside. Repeat the process for the remaining strips to prepare the additional foundation units. Each strip provides enough fabric to yield two units, so cutting two strips will give you the four units needed for H1 and H4. Keep these templates in Bag H1 until you are ready to sew the veins.

Unit H2 and Unit H3: Refer to the instructions under **Option 1**, on Page 6, Column 1 for a full set of instructions for Units H2 and H3.

GROUP H: OPTION 3 CUTTING INSTRUCTIONS

► Option 3, Fabric Chart:

The yardage listed in the chart is calculated to make (4) blocks using the One Color Group. H1 to H4 are the same as the Standard option. Fabric H5 will be different. This Option also requires H6 to H18. Please use the table on Page 4 for these fabrics.

ASSEMBLY INSTRUCTIONS:

If your quilt was designed using the foundation papers and Alternative Templates for **Option 1** or **Option 2**, proceed directly to the Foundation Paper Piecing or Curved paper piecing for the veins on Pages 10 & 11.

- **Alternative Option 1:** Follow the paper piecing instructions on Page 10 & 11. Alternative Templates H1-1 and H4-1 replace Section 1 & 2 on Units H1 & H4. The remaining sections use the same piecing instructions.
- **Template H1 and H2:** The curved piecing graphics for all the veins are shared for all four options provided for Group H. Curved piecing instructions, Page 11.
