

Fabric Color #7:

Cut six (6) 3-1/4" by 42" strips from color #7 for the LS Units.

Unit LS Strips: Place two (2) 3-1/4" strips into Bag #2 and four (4) 3-1/4" strips into Bag #3. Mark the strips with Color #7.

Fabric Color #8:

Cut twelve (12) 2-1/2" by 42" strips from color #8 for Temp C1-1 and Temp C3-1:

Cut two (2) 2-3/4" by 42" strips from color #8 for Temp A-5.

Clip the template pieces listed for each set of strips onto the fabric. Then proceed with the instructions below for each template.

Temp C1-1: Fold four (4) 2-1/2" strips in half with **wrong-sides-together**. Layer the strips on top of each other. Position **Temp C1-1** onto the fabric.

Fold the 2-1/2" by 42" strips in half before cutting. Cut eight (8) pieces, then slice the template on the **cut-line** to yield sixteen (16) pieces. Separate the pieces into two piles **right-side-up**. Clip the templates and fabric pieces together and place the pieces into Bag #4.

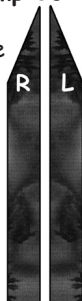

Temp C3-1: Open and stack four (4) 2-1/2" strips **wrong-side-up** and four (4) strips **right-side-up**. Layer the strips on top of each other.

Open and stack the 2-1/2" by 42" strips for Temp C3-1

Position **Temp C3-1** onto one end of the strip. Cut the fabric along the slanted end of the template to yield two (2) pieces from each strip. You will end up with sixteen (16) pieces.

Separate the pieces into two piles **right-side-up**. Clip the templates and fabric pieces together and place the pieces into Bag #6.

Temp A-5: Position **Temp A-5** onto both 2-3/4" strips. Stack the fabric strips **right-side-up** before cutting.

Open and stack the 2-3/4" by 42" strips before cutting.

Cut four (4) pieces, then slice the templates on the **cut-line** to yield eight (8) piece. This piece is directional so clip the templates and fabric pieces together and place them into Bag #1. Color #8 is used for Sec. 8.
