

### **Traveling to your Retreat:**

We have listed the Training Center and Business Contact information below in case you would like to leave it for your family for emergency purposes.

Quiltworx Training Center  
100 Lincoln Lane  
Kalispell, MT 59901  
406-393-2646

### **Shuttle Services from the Airport:**

There are several shuttle services that serve the airport. Please look at Arrow Shuttle, 406-300-2301. You can also visit their website at [arrowshuttletaxi.com](http://arrowshuttletaxi.com) for more information. They have rates for large groups (if you are coming together) and also rates for single passengers. There is also a Mountain Shuttle available. The contact phone number is 406-212-2149. However, I have called to speak with them and went to a full voicemail box. I have not spoken to them personally about transport. Uber is also available in the Flathead Valley now. There are only a couple of cars on the map at any given time, however, they do tend to hang around the airport during flight times and there is an option to book rides in advance through Uber now, as well. If this is a service you use regularly, it might be a good choice. It is strongly recommended, however, to have your transportation arranged in advance. It is 20 miles south of the Airport to Quiltworx Training Center and can take some time to organize transportation if not done ahead of time. You can also rent cars right at the airport. If you would like your own transportation while here, this is likely your best option. The link for renting cars is shown here:

### **Directions:**

We are located in Kalispell, MT at 100 Lincoln Lane. This information can be typed into a GPS system or Google maps to get directions right to the training center. If you need point by point directions, they are provided below. This can be helpful depending on your route and also your cell service if you are coming from Canada, or driving through areas that do you have cell service.

**Coming from Canada, or a northern route into Kalispell:** you will need to get to Kalispell and take Highway 93 south, out of town. We are located approximately 8 miles south of Kalispell, on MT-82 E. Once you get to the intersection of Hwy 93 and MT-82, E, (a gas station and hotel room mark this intersection, along with a street light) you will take a left onto MT-82E. Once on MT-82-E, you will drive approximately 1 mile until you see Lincoln Lane on your left. The Training Center and Warehouse are the large brown metal buildings immediately to your right.

**If you are coming from Missoula or Spokane:** take the appropriate route to get to Highway 93. From Spokane, this involves leaving the interstate at St. Regis, then taking a route through Plans, MT, to Highway 28, then to Highway 93. At the north end of the lake, you will drive through Lakeside, MT, then turn East along the north edge, and turn north away from the lake. Where the road turns north, this is Somers and there is a sign that says Dels Bar. About 1 mile past this location, you will drop into an intersection with MT-82E off of a hill. There is a stop light at the intersection, a gas station and hotel on your left. Take a right at this intersection, then travel approximately 1 mile and Quiltworx is on your left. You will turn onto Lincoln Lane, and then immediately to the left, is the Warehouse and Training Center, which are large brown metal buildings.

**If you are coming from Eastern Montana:** You may have also needed to take a route that took you over Marias Pass by Glacier Park or through the Swan Valley, or along the East Shore of Flathead Lake out of Bigfork. From the Swan or Bigfork, turn onto MT-82E at the stop light about 2 miles north of Bigfork, MT, then drive approximately 6 miles back to the training center, which will be on the north side of the road, almost back to Highway 93. If you are coming from Marias Pass, take 206 down to Highway 35, then turn on MT-82E and come back approximately 6 miles to Quiltworx, which will be on your right, on the north side of the highway.
